2. Relationship with the Agreement

2.1 The parties agree that DPA shall replace any existing DPA the parties may have previously entered into in connection with the Services.

2.2 Except for the changes made by this DPA, the Agreement remains unchanged and in full force and effect. If there is any conflict between this DPA and the Agreement, this DPA shall prevail to the extent of that conflict.

2.3 Any claims brought under or in connection with this DPA shall be subject to the terms and conditions, including but not limited to, the exclusions and limitations set forth in the Agreement.

2.4 Any claims against Pipe or its Affiliates under this DPA shall be brought solely against the entity that is a party to the Agreement. In no event shall any party limit its liability with respect to any individual's data protection rights under this DPA or otherwise. Customer further agrees that any regulatory penalties incurred by Pipe in relation to the Customer Data that arise as a result of, or in connection with, Customer's failure to comply with its obligations under this DPA or any applicable Data Protection Laws shall count toward and reduce Pipe's liability under the Agreement as if it were liability to the Customer under the Agreement.

2.5 No one other than a party to this DPA, its successors and permitted assignees shall have any right to enforce any of its terms.

2.6 This DPA shall be governed by and construed in accordance with governing law and jurisdiction provisions in the Agreement, unless required otherwise by applicable Data Protection Laws.

3. Scope and Applicability of this DPA

3.1 This DPA applies where and only to the extent that Pipe processes Customer Data that is subject to EU Data Protection Law on behalf of Customer as Data Processor in the course of providing Services pursuant to the Agreement.

3.2 Part A (being Section 4 – 8 (inclusive) of this DPA, as well as Annexes A and B of this DPA) shall apply to the processing of Customer Data within the scope of this DPA from the Effective Date.

3.3 Part B (being Sections 9-12 (inclusive) of this DPA) shall apply to the processing of Customer Data within the scope of the DPA from and including 25th May 2018. For the avoidance of doubt, Part B shall apply in addition to, and not in substitution for, the terms in Part A.

Part A: General Data Protection Obligations

4. Roles and Scope of Processing

4.1 Role of the Parties. As between Pipe and Customer, Customer is the Data Controller of Customer Data, and Pipe shall process Customer Data only as a Data Processor acting on behalf of Customer.

4.2 Customer Processing of Customer Data. Customer agrees that (i) it shall comply with its obligations as a Data Controller under Data Protection Laws in respect of its processing of Customer Data and any processing instructions it issues to Pipe; and (ii) it has provided notice and obtained (or shall obtain) all consents and rights necessary under Data Protection Laws for Pipe to process Customer Data and provide the Services pursuant to the Agreement and this DPA.

4.3 Pipe Processing of Customer Data. Pipe shall process Customer Data only for the purposes described in this DPA and only in accordance with Customer's documented lawful instructions. The parties agree that this DPA and the Agreement set out the Customer's complete and final instructions to Pipe in relation to the processing of Customer Data and processing outside the scope of these instructions (if any) shall require prior written agreement between Customer and Pipe.

4.4 Details of Data Processing

- (a) **Subject matter:** The subject matter of the data processing under this DPA is the Customer Data.
- (b) **Duration:** As between Pipe and Customer, the duration of the data processing under this DPA is until the termination of the Agreement in accordance with its terms.
- (c) **Purpose:** The purpose of the data processing under this DPA is the provision of the Services to the Customer and the performance of Pipe's obligations under the Agreement (including this DPA) or as otherwise agreed by the parties.
- (d) **Nature of the processing:** Pipe provides an audio and video recording platform and other related services, as described in the Agreement.
- (e) **Categories of data subjects:**
 - (i) Any individual accessing and/or using the Services through the Customer's account ("Customer's Representative");
 - (ii) Any individual whose information is stored on or collected via the Services, or whom the Customer presents with the Pipe recording client (collectively, "Users").
- (f) **Types of Customer Data:**
 - (i) Customer and Customer's Representative: identification and contact data (name, email); financial information (payment information);
 - (ii) Users: audio and video recordings (including geolocation tag in some mobile videos), IT information (IP addresses, user agent, referer, used device names, available device names);

4.5 Notwithstanding anything to the contrary in the Agreement (including this DPA), Customer acknowledges that Pipe shall have a right to use data relating to the operation, support and/or use of the Services for its legitimate business purposes, such as billing, account management, technical support, product development and sales and marketing. To the extent any such data is considered

Personal Data under Data Protection Laws, Pipe is the Data Controller of such data and accordingly shall process such data in accordance with the Pipe Privacy Policy and Data Protection Laws.

5. Subprocessing

5.1 Authorized Sub-processors. Customer agrees that Pipe may engage Sub-processors to process Customer Data on Customer's behalf. The Sub-processors currently engaged by Pipe and authorized by Customer are listed in **Annex A**.

5.2 Sub-processor Obligations. Pipe shall: (i) enter into a written agreement with the Sub-processor imposing data protection terms that require the Sub-processor to protect the Customer Data to the standard required by Data Protection Laws; and (ii) remain responsible for its compliance with the obligations of this DPA and for any acts or omissions of the Sub-processor that cause Pipe to breach any of its obligations under this DPA.

6. Security

6.1 Security Measures. Pipe shall implement and maintain appropriate technical and organizational security measures to protect Customer Data from Security Incidents and to preserve the security and confidentiality of the Customer Data, in accordance with Pipe's security standards described in Annex B ("**Security Measures**").

6.2 Updates to Security Measures. Customer is responsible for reviewing the information made available by Pipe relating to data security and making an independent determination as to whether the Services meet Customer's requirements and legal obligations under Data Protection Laws. Customer acknowledges that the Security Measures are subject to technical progress and development and that Pipe may update or modify the Security Measures from time to time provided that such updates and modifications do not result in the degradation of the overall security of the Services purchased by the Customer.

6.3 Customer Responsibilities. Notwithstanding the above, Customer agrees that except as provided by this DPA, Customer is responsible for its secure use of the Services, including securing its account authentication credentials, protecting the security of Customer Data when in transit to and from the Services and taking any appropriate steps to securely encrypt or backup any Customer Data uploaded to the Services.

7. Security Reports and Audits

7.1 Pipe shall provide written responses (on a confidential basis) to all reasonable requests for information made by Customer, including responses to information security and audit questionnaires that are necessary to confirm Pipe's compliance with this DPA, provided that Customer shall not exercise this right more than once per 6 months.

8. International Transfers

8.1 Data center locations. Pipe may transfer and process Customer Data anywhere in the world where Pipe, its Affiliates or its Sub-processors maintain data processing operations. Pipe shall at all times provide an adequate level of protection for the Customer Data processed, in accordance with the requirements of Data Protection Laws.

8.2 Privacy Shield. Pipe processes Customer Data protected by EU Data Protection Law under the Agreement and/or that originates from the EEA, in countries, territories or with organizations that have been designated by the European Commission or Swiss Federal Data Protection Authority (as applicable) as providing an adequate level of protection for Personal Data, including with companies that have self-certified their compliance with Privacy Shield.

Part B: GDPR Obligations from 25 May 2018

9. Additional Security

9.1 Confidentiality of processing. Pipe shall ensure that any person who is authorized by Pipe to process Customer Data (including its staff, agents and subcontractors) shall be under an appropriate obligation of confidentiality (whether a contractual or statutory duty).

9.2 Security Incident Response. Upon becoming aware of a Security Incident, Pipe shall notify Customer without undue delay and shall provide timely information relating to the Security Incident as it becomes known or as is reasonably requested by Customer.

10. Changes to Sub-processors

10.1 Pipe shall (i) provide an up-to-date list of the Sub-processors it has appointed upon written request from Customer; and (ii) notify Customer (for which email shall suffice) if it adds or removes Sub-processors at least 10 days prior to any such changes.

10.2 Customer may object in writing to Pipe's appointment of a new Sub-processor within five (5) calendar days of such notice, provided that such objection is based on reasonable grounds relating to data protection. In such event, the parties shall discuss such concerns in good faith with a view to achieving resolution. If this is not possible, Customer may suspend or terminate the Agreement (without prejudice to any fees incurred by Customer prior to suspension or termination).

11. Return or Deletion of Data

11.1 Upon termination or expiration of the Agreement, Pipe shall (at Customer's election) delete or return to Customer all Customer Data (including copies) in its possession or control, save that this requirement shall not apply to the extent Pipe is required by applicable law to retain some or all of the Customer Data.

12. Cooperation

12.1 The Services provide Customer with a number of controls that Customer may use to retrieve, correct, delete or restrict Customer Data, which Customer may use to assist it in connection with its obligations under the GDPR, including its obligations relating to responding to requests from data subjects or applicable data protection authorities. To the extent that Customer is unable to independently access the relevant Customer Data within the Services, Pipe shall (at Customer's expense) provide reasonable cooperation to assist Customer to respond to any requests from individuals or applicable data protection authorities relating to the processing of Personal Data under the Agreement. In the event that any such request is made directly to Pipe, Pipe shall not respond to such communication directly without Customer's prior authorization, unless legally compelled to do so. If Pipe is required to respond to such a request, Pipe shall promptly notify Customer and provide it with a copy of the request unless legally prohibited from doing so.

12.2 If a law enforcement agency sends Pipe a demand for Customer Data (for example, through a subpoena or court order), Pipe shall attempt to redirect the law enforcement agency to request that data directly from Customer. As part of this effort, Pipe may provide Customer's basic contact information to the law enforcement agency. If compelled to disclose Customer Data to a law enforcement agency, then Pipe shall give Customer reasonable notice of the demand to allow Customer to seek a protective order or other appropriate remedy unless Pipe is legally prohibited from doing so.

12.3 To the extent Pipe is required under EU Data Protection Law, Pipe shall (at Customer's expense) provide reasonably requested information regarding the Services to enable the Customer to carry out data protection impact assessments or prior consultations with data protection authorities as required by law.
